

MAKE ONE CALL TO SAVE WITH 90-DAY PRESCRIPTIONS

CVS CAREMARK FAST FACTS » FASTSTART®

Your prescription benefit plan is designed to help you save money on your prescriptions. That's why we ask that you order your long-term medications in 90-day supplies, which typically cost less than three 30-day supplies.

Choose what works for you: pick-up your 90-day supplies at a local CVS/pharmacy or have them shipped to you at no-cost through the CVS Caremark Mail Service Pharmacy.

THE FASTSTART PROGRAM MAKES IT EASY FOR YOU TO MOVE TO 90-day REFILLS

FastStart toll-free call from you or your doctor:

Option 1: Just call toll-free 1-866-488-4710

- » Our Customer Care representative will handle all the details to change your 30-day prescription to a 90-day prescription
- » We will contact your doctor to obtain a new 90-day prescription
- » If you choose pickup at a CVS/pharmacy, we will contact the pharmacy with the new prescription information
- » If you choose mail service, we will complete the mail service order form for you. Your prescription order will be sent to the pharmacists at the CVS Caremark Mail Service Pharmacy and your medication will be sent to your location of choice— home or office.

Option 2: Your doctor makes the call

- » Just tell your doctor to call in your prescription to us

You also have the option of getting a 90-day prescription from your doctor by using a mail service order form. Order forms are available at Caremark.com/Order
